

SCUBA Course Requirements

Before you begin a Diveline SCUBA course do you have?

A SCUBA Diving Medical Certificate:

These are specialised medical certificates and you can not start any Diveline SCUBA course without one.

For your local Dive Doctor visit the website:

www.spums.org.au/

Search the *Diving Doctor List* on the left of the page

Diveline recommends: Dr Vanessa Haller
Carrum Downs Medical Centre
Hall Road, Carrum Downs
Phone: +61 3 9782 6666

Fitness to Dive:

You need to be able to swim 200 metres and float (tread water) for 10 minutes.

We also need to know of any special condition that may prevent you from SCUBA diving such as:

- Asthma
- Epilepsy
- Diabetes

Deposits and Manuals:

You will need to pay a deposit for your course or tour.

If you book a SCUBA course, you will also need to come in to the shop and pick up a Manual Pack and DVD to review before starting your course.

Personal Equipment:

For SCUBA courses you will need to purchase:

- Mask
- Snorkel
- Fins and Booties

These are discounted when you Learn to SCUBA Dive with Diveline.
