Terms and Conditions

Attendees who have signed the Obverse Page have agreed to these Terms and Conditions:

- Health Issues: Attendees are responsible for their health and any issues that arise while on the event. However, attendees must inform the Frankston Photographic Club Event Leader of any known health issue before the event; and ensure any required medication or aids are brought along while on this event. We will take necessary precautions when advised.
- Minors (under 18 years of age): Will require a parent or guardian to accompany you on this event.
- Bookings: A lack of bookings made on the Frankston Photographic Club website will indicate a lack of interest in the event. This may mean the event will be cancelled.
- A sample photo from the event is to be provided for the Camera Club Newsletter.
 - Send to askus@frankstonphotoclub.com.au
- Scan and Send a copy of this completed form to : askus@frankstonphotoclub.com.au

Privacy

- Details provided on this form will only be used for:
 - Recording: Verifying attendees participating in this event.
 - Insurance: Those who have signed the form are covered by the Frankston Photographic Club insurance policy (details at the top of the page) should an incident occur while on this event.
 - Planning: For future Frankston Photographic Club Events.

Post Event Image Reviews (Optional)

- Organise an informal meeting after this event to:
 - Show each other images taken during this event and comment
 - Collect images for:
 - FPC newsletter articles
 - Samples to send back to venues as some thanks for permissions and access

FPC Newsletter Articles (Optional)

- Ask the attendees to let other camera club members know about the event by writing up a short summary of:
 - Where they went; What they saw; What they did
 - What they learnt about their equipment and / or photographic techniques
 - Other lessons, insights or commentary
- Submit to : askus@frankstonphotoclub.com.au

Voice Recognition Technology can be used to help write an article for the FPC Newsletter

Apple, Google, Windows, Linux and others have various [**Voice to Text**] applications that let you speak and have it converted into text.

Look for a microphone symbol on your device or application similar to (see right ->)
Activate and Speak: To activate may be a 'click' or a 'tap'

Give it a go. It's pretty easy and pretty accurate;
There shouldn't be too much editing afterwards.

We look forward to reading about yours and their adventures and learnings...
