

Society of Antarctic Campers

This is to certify that

Brendan Edwards

has qualified as an Antarctic camper by spending the night out in substantial snow at Pleneau Island (65°06'S, 64°04'W), slept soundly without regard for personal danger or frozen extremities and has therefore been accepted as a life member of
SAC
on this day

2nd Day of December 2003

signed by

Angus Finney
Expedition Leader

Evgeniy Levakov
Ship's Captain
