

Southern Ocean Plungers' Society

This is to certify that

Brendan Edwards

has shown outstanding lunacy and disregard for frozen extremities by plunging into the near frozen and definitely frigid waters of Whalers Bay, Deception Island, Antarctica, (62°59'S, 60°34'W) and has therefore been accepted as a Life Member of S.O.P.S on this day:

5th December 2003

Angus Finney
Expedition Leader
